Dear Residents,

Local resident Henry H. Johnston put it best when he said, "I see [the library] as a community center that is a site for educational lectures as well as a meeting place for various clubs and social groups. I see it as a place where our children and grandchildren are taught to love reading and have it become part of their lives, a very necessary factor that will make them active and socially involved adults in the future. And, of course it is a great place to go to sit, read and enjoy the view."

We are happy to provide you with all of this and so much more. With the advancement of the digital age, even the manner in which people learn and connect with one another has altered. Ebooks and online databases are just a few of the many resources available through your library.

This budget proposal reflects the Cold Spring Harbor Library Board's long-standing commitment to provide exceptional services to the community. The proposal for fiscal year 2015-2016 complies with the Governor's Tax Cap of 1.62% and will enable us to maintain the collections and services you expect and deserve.

On April 14, 2015, please take a few minutes to visit the library and participate in the budget vote and trustee election. We invite you to avail yourself of our special programming throughout the day.

We hope to see you soon.

Interim Director
