Citizen Science with iNaturalist (1 hour per 10 observations)

Use the iNaturalist app to log photos of wildlife and plants in your area. Select a suggested ID for the organism and let the community peer review it as a contribution to science! Email a photo of your log to teen@cshlibrary.org for credit. Every 10 observations (including an ID attempt) counts for 1 hour of service.

Documentary Film Review (2 hours)

Review a documentary film for us to upload onto our new website. Find the review form on our website for more details.

Teen Teach Video or Class—(Variable Hours)

Show us your skills with a video tutorial! Cook, craft, game, or even make a tutorial for our digital services to be posted on our website and social media. Alternatively, run a program in person or via Zoom for your peers or Children. Check with our librarians to see if we are currently offering this opportunity in person.

Email teen@cshlibrary.org for more information about these opportunities.
