Letter to our readers

Dear Residents,

Except for the flu, which has gripped so many this season, winter has been kind to our neighborhood. Attendance at our morning and evening exercise programs is strong; please look for the next sessions to begin soon, and take advantage of these very cost-effective programs. Our book discussions are led by experienced librarians and are an excellent way to find the next great book while making new friends. Storytimes and playtimes for preschoolers, including many special craft programs, are always popular. On March 19, grades 5-8 will be making wind chimes from flower pots. Preregistration is mandatory, and may be done through the library’s online events calendar, or by telephone. See page 4 or our website for details.

Use of your library by students after school continues to increase. We are so pleased that Bus G leaves the high school each afternoon and stops at the library. A few weeks ago, the CSH School District launched a new 21st Century tool known as the CSH Virtual Desktop. This “in the cloud” program enables students and faculty to access resources and assignments via the Internet from any connected device.

Great news for eBook lovers! Our eBook and downloadable audiobook programs are improving, with additional titles in multiple formats, and no waitlist for many of our audiobooks. Stop by the library for hands-on instruction, or visit our website at www.cshlibrary.org, and click on Download eBooks, Video, Music, & Audiobooks. As of January, over 600,000 titles have been downloaded by members throughout Suffolk County. Learn how today!

The annual Budget Vote & Trustee Election will be held at the library on Tuesday, April 9. Events for all ages are planned, including a very special visit by students in our Science Research Program. The student scientists will be in the library to tell us about their discoveries after school.

Community Conversations

YOUR LIFE, YOUR FAMILY, YOUR FUTURE

Wednesday, March 13, 7:00 p.m.
Harborfields Public Library

The conversation that began back in October 2012 continues. This upcoming program will focus on Growing community: Who are we? How do we live together? Join Kirk Kordeleski from Bethpage Federal Credit Union, Jocelyn Wenk from the Rauch Foundation, and others. We expect a lively conversation with a lot more questions than answers. And save the date for the third program in the series on May 4 at the Northport-East Northport Public Library, when we’ll begin to talk about what our future can bring. This series of programs is a partnership of Leadership Huntington and the libraries in the Town of Huntington.

Cold Spring Harbor High School Virtual Desktop is now accessible from all public access computers at the library.
All programs are for students in grades 6-12 unless otherwise indicated.
