Website: www.cshlibrary.org
Phone: (631) 692-6820
Fax: (631) 692-6827
Dear Residents,

Your public library is the one place with something for everyone. From toddler time to yoga, best sellers to eBooks, tax forms to homework help, rooms for group meetings to rooms for art, music, films, and lectures, your free library card is the key.

Getting a library card has never been easier; just visit our website and click on “Apply Online” to complete a brief application. You will instantly be assigned a library card and immediately have access to free eBooks for your iPad, Kindle, or other eReader. If you need assistance, all the librarians are ready to offer one-on-one guidance, either in-person or over the phone. They have also produced step-by-step directions that are available on our website.

Every day, your Children’s Librarians introduce little ones to the wonder of words, stories, crafts, games, and group play. Add our daily children’s activities to your “to-do” list. Visit the Community Events Calendar on our website or see our newsletter for details.

For adults, we offer daytime and evening book discussions, cooking classes, special guest lectures, and concerts. All of our programs may be found on the Community Events Calendar on our website.

There will be a few changes at the library. Coming soon will be key tag library cards featuring our new logo. We know how popular key tags are, and we hope you will attach this new card to your key chain and carry it with pride. There will also be a free mobile phone app available from iTunes. It will be compatible with all mobile devices and will make accessing our programs and services very convenient. Over the last six months, over 1,000 iPads or other portable devices connected to the WiFi network at the library each month, and soon you will be able to print from your wireless device to a central printer in the Reference Room.

Your school district and public library continue to develop a strong partnership. During the 2012-13 school year, our librarians led several workshops for teachers and students to demonstrate the depth and value of traditional and online resources. We hosted student artwork and science posters, welcomed elementary school visits, and answered thousands of questions about homework assignments asked by both parents and students.

Look for the annual CSH Lions Club Fishing Derby on Saturday, September 21. Take a chance on a kayak. A portion of the proceeds from the Fishing Derby enables Children’s Department programs. We are very grateful for this ongoing support.

MAP OF “WAWAPEX PARK” 1870
On Display on the Lower Level

Wawapex Grove on the east side of Cold Spring Harbor was a popular picnic spot in the late 19th century. In 1870, Walter R. T. Jones planned a never-realized villa park for the site, probably thinking the time was auspicious as the L.I.R.R. had extended tracks from Syosset east to Northport in 1867, and Cold Spring Harbor was rapidly developing as a resort. By century’s close, the site had become part of “Burrwood,” the Walter Jennings Estate. Wawapex, place of good water, was the Matinecock Indian name for Cold Spring Harbor.

Cold Spring Harbor K-12 Virtual Desktop
is now accessible from all public access computers at the library.

Silent Art Auction
A few months ago, the Library Foundation introduced a Silent Art Auction. Robert Hughes and Richard Schuster are managing this new program. Artists have donated many pieces, and you have an opportunity to bid on their work. Look for the ongoing display in the lobby, and be sure to bid on any piece at the Circulation Desk. To date, over $1,000 has been raised.

Weather Vanes
Cold Spring Harbor resident Jeff Hollman displays his weather vanes on the library’s hill for our enjoyment. His Sculptures in the Wind exhibit is always changing and always charming. The weather vanes are available for purchase, and a portion of each sale is donated to the Library Foundation. So, if you see one you like, take it home!

Sustaining Membership
Recently, the Foundation Board sent a letter to past donors asking for participation in a Sustaining Membership program. The response has been very positive. If you are interested in becoming a Sustaining Member, visit the Friends Foundation page on the library’s website or call Library Director Helen Crosson for more details. All donations to the Foundation directly support the mission of your public library.
All programs are for students entering grades 6-12 unless otherwise indicated.
Registration required.

TEEN SUMMER READING CLUB: BENEATH THE SURFACE
June 24-August 9
For every 200 pages you read, earn one Book Buck. Book Bucks MUST be turned in by 4:30 p.m. on August 9. For every teen program you attend this summer, you’ll be entered into a raffle to win a Basket of Swag at the End of the Summer Reading Club Party on August 8. The more programs you attend, the better your chances! Only catch: you have to be present at the party in order to win.

CONQUER THE “COMMON CORE”
