Letter

from the Director

Dear Residents,

It is hard to believe that the new year is already here! We have many great events planned for 2018, and we hope that you come to the Library and take advantage of the many exciting programs we offer each month.

On Tuesday, January 23, the founder of the Orangutan Project, Leif Cocks, will be here to discuss his experiences in Borneo working with these fascinating primates. On Sunday, February 4, acrobat Li Liu will perform in celebration of Chinese New Year—definitely a fun event for children of all ages.

I would like to personally thank everyone who contributed to the Friends Foundation Annual Appeal. Your generous donations help fund many programs, including our Museum Pass program. You can use these free passes to visit ten interesting museums, including the Long Island Children's Museum, the Nassau County Museum of Art, and the Guggenheim Museum.

Happy New Year! I look forward to seeing you at the Library in 2018!

Sincerely,
Dr. Roger Podell
