Letter from the Director

Dear Residents,

On behalf of the Board of Trustees and the staff, I want you to know how excited we are that the Library has reopened! You can browse and borrow materials, work at the indoor tables, or sit outside on the Reading Room Porch and enjoy the beautiful view!

If you call and let us know what materials you want to borrow, we will have them checked out and waiting for you in the lobby for contactless pickup. You can return materials in the parking lot book drops or in bins on the porch.

For everyone's safety, a face covering is required at all times for patrons and staff, and everyone must practice social distancing. Plexiglass barriers have been installed, wipes are available at all shared spaces, higher quality filters are being used in our HVAC system, and public bathrooms are disinfected frequently.

We are offering numerous virtual programs for all ages, so please look through this newsletter and check out our website, www.cshlibrary.org, for programming information and online resources!

We appreciate your support and cooperation during this difficult time. I look forward to seeing you at the Library!

Sincerely,
Dr. Roger Podell
Executive Director

Today, thanks to conservation plans and rules against hunting, wolves are making a comeback in some areas. Erica will tell her stories from the field, including her expedition looking for endangered wolves in New Mexico, attending wolf community meetings in Europe, and more. Register by 10:00am on August 8 to receive the link to attend the event.
