## PLAZA THEATRICAL: WILLY WONKA

**Friday, November 25, 2:00pm**

**For children of all ages and their families**

The delicious adventures experienced by Charlie Bucket on his visit to Willy Wonka's mysterious chocolate factory light up the stage in this captivating adaptation of Roald Dahl's fantastical tale. Dahl's *Willy Wonka* follows enigmatic candy manufacturer, Willy Wonka, as he stages a contest by hiding golden tickets in five of his scrumptious candy bars. Whomever comes up with these tickets will win a free tour of the Wonka factory, as well as a lifetime supply of candy. The children must learn to follow Mr. Wonka's rules in the factory ... or suffer the consequences.

## from the Director

Dear Residents,

I would like to thank the Friends Foundation for their generous donation to the Library of over \$41,000 during fiscal year 2021-2022, which helped pay for books, eBooks, programs, our free Museum Pass service, and the Summer Reading Club. Your generous donations to the Friends Foundation greatly help support the services we provide to the community.

Sincerely,  
Dr. Roger Podell  
Executive Director

## COLD SPRING HARBOR LIBRARY FRIENDS FOUNDATION

### *Whip Inflation Now*

Inflation is back. It's been a while. What to do? Some may remember President Gerald Ford's promotion of WIN buttons, short for Whip Inflation Now. While WIN buttons may have been less than effective in fighting inflation in the early 1970s, one way to beat inflation is to get more from something you already own. That's where the Library comes in.

### **The Library's Record on Inflation**

Over the last five years, we've held the line on tax increases. Take a look at our inflation whipping record:

2022-23 - 2.6%  
2021-22 - 1.9%  
2020-21 - 1.8%  
2019-20 - 1.9%  
2018-19 - 1.5%

All of this while users are returning. 5,350 visited the library in August, the most since February 2020, right before the pandemic. This year we officially opened The Underground, your new Teen/Media Center. As we've seen before, many of those teens will one day return to the library with children of their own.

### **Walk up the Hill**

So, walk up the hill and visit the library. We are always seeking more users, donors and friends. Come to read, watch and participate.

### **Our Annual Appeal**

The Friends Foundation answers the Library's needs when its operating budget cannot. Voluntary contributions fund the Foundation. Before you close your books, please support our annual appeal. We welcome tax deductible donations by check, in person or online. If possible, donate your appreciated stocks (or part of them). Donate online by clicking the "Donate" button on the Library's website: [cshlibrary.org](http://cshlibrary.org). You will be investing in our children, community and future.

*Have a happy and blessed holiday season.*

### THE CHRISTMAS STAR

Wednesday, December 14, 7:00-8:00pm

What occurred in the skies long ago that might have lived on through the centuries as the Christmas Star? Was it a supernatural phenomenon, or was it a natural astronomical occurrence; a function of the inexorable laws of physics, appearing in the night skies at the time of the Nazarene's birth? Modern astronomy has an explanation—or rather, several possible explanations. Meteorologist Joe Rao, an associate and guest lecturer at New York's Hayden Planetarium, will explore the many fascinating possibilities. Could it have been a dazzling fireball meteor? A spectacular comet? An exploding star or nova? Or perhaps a rare and unusual configuration of the planets? All the evidence of history and modern astronomy is woven into the answer to create a different kind of Christmas story ... just in time for the holiday season.
